Image	 The image shows the retail packaging for a Lexar PLAY PRO microSDXC Express Card. The packaging is a blister pack with a black background and red and white text. At the top, it says "PLAY PRO" in large red letters, followed by "microSDXC™ Express Card" in smaller white text. Below this, there is a graphic of a red and black racing car. In the center, there is a clear window showing the silver microSD card. To the right of the card, it says "1TB" in large white letters, with "900 MB/s" for read speed and "600 MB/s" for write speed. At the bottom, the Lexar logo is prominently displayed. Various icons for compatibility (Android, iOS, Xbox, PS4) and standards (V30, U3, C10) are visible on the left side of the card.
