microSDXC

64GB
128GB
256GB

Capture more adventure with your action camera or drone

Designed for your action camera or drone, Lexar® Professional 667x VIDEO microSDXC™ UHS-I cards let you quickly capture, playback, and transfer 1080p Full-HD, 3D, and 4K video, as well as the highest-quality movies and photos. Store loads of content with up to 12 hours of 4K UHD video, 40 hours of Full-HD video, or 75,000 photos². These cards leverage Class 10, UHS Speed Class 3 (U3), and Video Speed Class 30 (V30) ratings to deliver high-speed performance—up to 100MB/s (667x)¹. They also come with an SD adapter for easy file transfer. These premium memory solutions give you the speed and space you need to capture more adventure with your action camera on the go.

Shoot all the action in 4K and Full-HD. Calling all adventure seekers and adrenaline junkies! Make the most of your adventures in the great outdoors by leveraging the power and performance of these cards. Whether you're shooting with your action camera or drone, you can quickly capture, play back, and transfer a large amount of the highest quality 1080p Full-HD, 3D, and 4K video—making it easy to preserve up to 12 hours of 4K UHD video or up to 40 hours of Full-HD video of your greatest moments².

Get more from your device. The cards are speed rated at Class 10, with UHS Speed Class 3 (U3) and Video Speed Class 30 (V30). These high-capacity cards give you the speed and space you need to capture, transfer, and share more adventures on the go.

Easily transfer files with the included adapter. For added functionality, the cards also include an SD adapter, making it easy to transfer files between your devices.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹Up to 100MB/s read transfer, write speeds lower. Speeds based on internal testing. Actual performance may vary. x=150KB/s.

²Based on 256GB capacity. 4K UHD Video based on resolution 3840x2160, 30P, High Quality (HQ). Full-HD Video (FHD) based on resolution 1920x1080, 30P, Normal quality. Photo based on 13.9-megapixel JPG, average photo size 3.35MB per photo. Actual number of photos, and hours will vary depending on camera/device model, format resolution and compression, usable capacity, and bundled software.

Actual usable memory capacity may vary. 1GB equals 1 billion bytes.

Warranty:

(For Americas ONLY) Limited lifetime warranty for card and one-year limited warranty for adapter

(For regions OUTSIDE of the Americas) 10-year limited warranty for card and one-year limited warranty for adapter from purchase in regions excluding the Americas
