(up to 130MB/s read, 125MB/s write¹)

2TB
(up to 130MB/s read, 125MB/s write¹)

Safe and reliable way to carry your secure data

Take your data on-the-go with the HL260 Encrypted Portable HDD from Lexar. This sleek and slim drive features a premium finish and is available in 1TB and 2TB of storage space. To keep your data secure, it comes with FileDog keys and an advanced hardware encryption solution. It has transfer speeds of up to 130MB/s and a write speed of up to 125 MB/s¹. Connect it to your system using the included USB Type-C to Type-A cable, and it's ready to use.

Easy to use, portable and reliable. Quickly store and access your content anywhere with the Lexar Encrypted Portable HDD. This drive provides hardware encryption software that keeps your business documents safe and secure with the File Dog Key. Built sleek and compact for use in the office or on the road, you can easily access, move, or backup all your favorite movies, music, photos, and files. Available in 1TB and 2TB capacities.

Securely protect your files. Looking to protect personal information, financial records, or other sensitive files on the go? The HL260 Encrypted Portable HDD includes an SM4 security solution that keeps your data confidential and secure. To prevent unauthorized access, half of the drive is designated as encrypted storage, while the other half can be used for public use if shared by multiple people. Easily insert FileDog Key into your drive to access your encrypted data. And for peace of mind, files that are deleted from the safe are securely erased and can't be recovered.

Sleek design and easy to carry. Showcase your discerning style with the sleek, premium finish of the HL260 Encrypted Portable HDD. Designed with an attractive leather case, this slim-sized drive is small enough to slip it in your pocket and go.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹Up to 130MB/s read transfer, write transfer speeds lower. Speeds based on internal testing. Actual performance may vary. Lexar is not liable for any loss of data or images.

NOTE:

Security safeguards, by their nature, are capable of circumvention. Lexar does not guarantee data will be 100% secure from unauthorized access, alteration, or destruction.

To ensure compatibility and best performance, please visit lexar.com/downloads to download the latest USB 3.1 driver.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.

Actual usable memory capacity may vary. 1GB equals 1 billion bytes.
